

本局提醒民衆過年過節期間注意爆竹煙火安全

A sweet reminder — Be careful of firecracker safety during Chinese New Year holidays.

爆竹煙火在民俗節慶活動中,已普遍被民衆使用,舉凡元旦 跨年晚會、春節、中秋、國慶、選舉等活動,常以施放爆竹煙火 來增添節慶氣氛。而這幾年來政府機關、學校及社會團體舉辦各 類活動,主辦單位亦常以施放煙火等節目來炒熱現場氣氛及帶動 活動高潮,造成許多活動場合都有燃放煙火的表演。爆竹煙火組 成之成分内含火藥,且有一定的危險性,如不慎使用,即會釀禍 致災。

Firecrackers and fireworks have been generally used by people in folk activities, such as new year party, Chinese New Year's Day, the Mid-Autumn Festival, National Day, election campaign, it is commonly letting off firecrackers and fireworks to make festival come alive. And in recent years, when government organizations, schools, and social groups held activities, the organizers often chose letting off fireworks to make activity come alive and inject some dynamic energy, herewith the firework shows are frequently seen at many occasions. However, the components of firecrackers and fireworks involving gunpowder, it has certain danger and will easily cause accident without caution.

本局在此勸導民衆以播放施放爆竹之音效代替,檔案可於 本局網站首頁(http://www.tccfd.gov.tw)下載使用,達到綠色環保 減碳的效果。若民衆真要燃放爆竹煙火時,則需確實遵守其產 品使用說明,選擇適當地點,遠離人潮,遵循正確方式施放,並 遵守「爆竹煙火管理條例」及「臺中市爆竹煙火施放管制自治條 例」之規定,不可於禁止施放地區(如石油煉製工廠、加油站、加 氣站、油槽區、彈藥庫、火藥庫、公共危險物品或可燃性高壓氣 站、捷運車站、碼頭等基地内、生態保育區等)及禁止施放時間 (每日0~6時不得施放火藥作用後會產生飛行、升空等現象之爆竹 煙火),以冤因觸法而受罰。

It is recommended to replace firecrackers and fireworks with sound effects, for environmental protection and emission reduction, the digital file can be downloaded and utilized at the official website of Fire Bureau (http://www.tccfd.gov.tw). Though,

when people actually letting off firecrackers and fireworks, it is necessary to indeed obey the instruction of products, for example, choose suitable location, stay away from the crowd, follow correct conduct method, and obey the stipulation of
